FROM JUST

## £10/month

Choose a plan that keeps the annual service covered and the support route straightforward.

MOST POPULAR CHOICE

## FlameCare Plus

Balanced monthly cover with annual servicing, repair labour, and a calmer support route when the heating system needs attention.

£18.00/month

Good fit for most homes

CHOOSE YOUR COVER

## Three levels of FlameCare, from essential cover to stronger protection.

Every FlameCare plan includes an annual boiler service. Move up the range when you want broader repair support, faster priority handling, and a higher parts allowance.

ESSENTIAL COVER

### FlameCare Basic

£10.00 /month

- Annual boiler service
- Service reminders
- Priority booking support

MOST POPULAR CHOICE

### FlameCare Plus

£18.00 /month

- Annual service and system health check
- Covered repair labour
- Parts cover up to £250/year on covered repairs

MAXIMUM PROTECTION

### FlameCare Pro

£24.00 /month

- Everything in FlameCare Plus
- Faster priority response
- Parts cover up to £500/year on covered repairs

WHY FLAMECARE WORKS

LOCAL PROTECTION WITH A CLEARER ROUTE

## Built to feel more organised from the first service onward.

### FlameCare Plus

Great for most homes that want annual servicing plus broader support if something goes wrong.

#### Annual service included

Every plan starts with the annual boiler service, keeping the basics properly looked after.

#### Direct support route

No call centre handoff. You speak to FlameTec Boilers directly when you need help.

#### Clear plan tiers

Simple steps between Basic, Plus, and Pro so the level of cover stays easy to understand.

#### WHAT FLAMECARE CAN INCLUDE

##### Clear support without the clutter.

- Annual boiler service on every plan
- Service reminders and a digital service record
- Covered repair labour on Plus and Pro
- Selected internal heating and plumbing support
- Parts support on covered repairs up to your plan allowance

#### WHAT STAYS OUTSIDE COVER

##### Important exclusions kept easy to read.

- Existing faults present before joining
- Frozen or external pipework
- Blocked drains, drainage, or excavation work
- Damage caused by misuse or lack of maintenance
- Anything outside the wording of your selected plan

#### SPEAK TO FLAMETEC

##### Ready to talk through the right plan?

Call, email, or view FlameCare online. We'll talk through Basic, Plus, and Pro clearly and help you choose the level of cover that suits the home.
